

Emerald Events

CONFERENCE CENTRE INFORMATION

The Quality Hotel Emerald is designed as a one stop shop for all your conference and meeting requirements. We take the hassle out of having to hire extra equipment like projectors, screens and microphones by having it all onsite. We are also able to offer the flexibility of having the floating wall system which enables us to configure to larger and smaller groups.

Please take a moment to read through our information and if you would like to request a quote please do not hesitate to contact us.
